About Us

Danatek Co., Ltd. Taiwan is a global leading supplier of specialty plant nutrition. With decades of profound experience, Danatek is renowned for its pioneering spirit and the innovative solutions it offers.

Since 1996, Danatek Co., Ltd. has been at the forefront of the global agricultural revolution, pioneering efficient plant nutrition solutions for advanced agricultural practices.

A close-up photograph of a person's hand holding a small, vibrant green seedling with several leaves. The seedling is being held over a mound of dark, rich soil. The background is softly blurred, showing more of the soil and some green foliage, suggesting an outdoor agricultural setting. The lighting is natural, highlighting the texture of the soil and the freshness of the plant.

Driven by a spirit of pioneering and innovation, Danatek Co., Ltd. delivers groundbreaking solutions that enhance crop nutrition and fertilizer efficiency, all while prioritizing environmental sustainability.

Danatek operates production sites in Taiwan and other strategic locations globally. With a growing network of Partners and clients, Danatek's plant nutrition solutions are available for growers in over 22 countries worldwide.

A close-up photograph of a person's hands holding a small, vibrant green seedling with several leaves, planted in dark, rich soil. The background is softly blurred, showing more greenery, suggesting an outdoor garden or farm setting. The overall tone is natural and focused on agriculture.

Danatek's key mission is to create highly effective plant nutrition solutions for growers worldwide by leveraging a keen familiarity with their lives and needs, while being proactive in a rapidly changing world.
